Christmas Cracker Treasure Hunt
 Thursday 29th December 2011

Well done to the 12 teams who took part, nice to see a lot of new faces too. Very mild weather, not what we are used too, lucky for Matt and Phil that the rain had stopped an hour before the start as they were braving the elements in an open top car, though they did get caught out by a few of the puddles and potholes. Congratulations to the Bottle Stoppers with a Maximum score. Also well done to the first timers; Where's Tim, Team Arrows and Prayin' it don't rain. Many Thanks to Rich Burdett and Dave Cooper for sorting the prizes and George and Neil for the mince pies. Rich
