Christmas Cracker Treasure Hunt

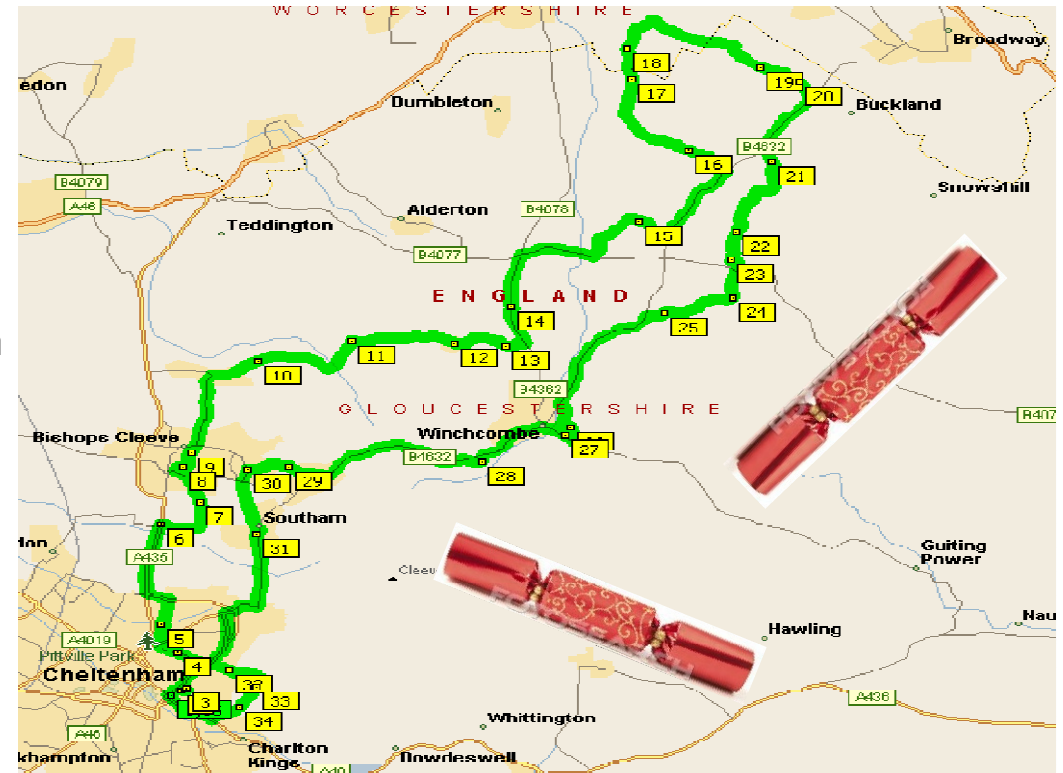

Thursday 27th December 2012

Many thanks and well done to the 11 teams who took part, nice to see some more new faces too. The second year in a row with no frost or snow. Lucky the rain held off for the evening and the roads wer'nt too wet. With 5 crews on the Maximum score it came down to the tie break, the top 3 were very close, but congratulations to the Coopers who guessed the exact mileage for the M5. Many Thanks to Rich Burdett and Dave Cooper for sorting the prizes and George and Neil for the mince pies. Rich
